

2014 APRIL NEWSLETTER

OUR School

Dear OUR School Families,

My, oh my, April is here; this is a very busy month with lots of important dates, so hold on to your computer and get ready for a busy, awesome month.

The children (Toddler and Preschool) are continuing to practice their play and are getting very excited to perform for family and friends. The play, Ninjas Beware Banana Peels is on May 1st. We ask that you drop your kiddos off at 5:15pm in the preschool room and head to the Toddler Room to Our School's first ever Silent Auction until the play starts. We are very excited about the awesome donations we've received from businesses in Glenwood. We will accept cash, checks and hopefully credit cards the night of the play. We will be posting a list of items before the auction so that you can see ahead of time the items and awesome deals to be had! Also, there will be an option for pre-purchase of tickets, posters, and videos! Expect the pre-order form in your child's cubby next Monday.
