Hello! Thank you for your interest in OUR School and **CONGRATULATIONS** on beginning a family!

OUR School serves children ages 6 weeks to 6 years. Here is a little about our program which might be helpful to your family.

The program provides full day, year-round learning services 2, 3 or 5 days a week which are paid monthly. Enrollments are filled on a first come, first served basis. A non-refundable registration fee of \$100 and the first month's tuition are paid upon enrollment. We also require a refundable deposit of \$500 which will be applied towards your final month's billing; this can be paid over a three-month period.

We currently have an **EXTENSIVE** waitlist for all our classrooms and the waitlist for the infant room is the longest and moves the slowest as we only take 3 babies a day to ensure quality care. The average wait time has been around three years out.

FAMILIES CAN GET ON THE WAITLIST BY COMPLETING THE ATTACHED FORM AND RETURNING VIA EMAIL OR MAIL.

Unfortunately, due to the high demand and limited spaces OUR School is unable to guarantee you a spot, we serve 33 students a day and **have many families on our waitlist**. Because of that disparity there are families that we are unable to serve.

I am happy to answer any questions you might have regarding our philosophy, curriculum, and purpose. And encourage you to come visit our program by setting up a tour.

The facility and professional staff speak for itself; however, we always want to make sure we are a good fit for your family's needs and wants. We have a staff of early childhood professionals who continue to follow the most recent research regarding children's physical and social/emotional development.
